Subject: Chat with Anonymous
From: Anonymous <greggatghc@gmail.com>
To: barriticus@gmail.com

me: yo
me: Guardian asked me to write a column on Britfag 5
Anonymous: good morning
Anonymous: on the people who were arrested?
Anonymous: do we know who yet?
Anonymous: i actually just got to the point were i am catching up with the morning
me: no names yet, I don't think
me: http://typewith.me/e87zxppxqI
me: check it
me: haven't heard from Eisler yet
Anonymous: 14 more searches happened for me and her while we were sleeping
Anonymous: good times
Anonymous: reading
me: it's just notes so far
me: but I had input from emergent Anon committee
Anonymous: yeah
Anonymous: thats coming together nicely
Anonymous: ill tell you
Anonymous: when i helped the anonops people get the tunisian thing going
Anonymous: and a few of the background things i did near the start of this
Anonymous: (and the help i give to you and about 40 others when the opers go nuts)
Anonymous: is all for one thing
Anonymous: and you talked about it there
Anonymous: The goal of all of this has to be one thing
Anonymous: proving to people that they can change it if they want to
Anonymous: you arent powerless, rise up if you feel the need.
Anonymous: and it looks like people are getting the point
Anonymous: you Barrett, I am so happy you went gung-ho for this
Anonymous: I would have had to do about half of what you've done heh
me: I'm after the same thing
me: and we're going to get it
Anonymous: im reading the NYT hit piece on assange that came out
Anonymous: this is a horrible article
me: I don't want to see it
Anonymous: 9 damn pages
Anonymous: of them trying to paint him horribly, and saying he wasnt a partner, they arent journalists, they were a source

Anonymous: obviously saying what the government wants them to
Anonymous: its sickening
me: see Mockingbird
me: FBI
me: '70s
Anonymous: indeed
me: Eisler replied
me: No idea. I'm monumentally untechnical, but is he sure he knows the origin? If someone were using Tor, wouldn't that obscure it? For my fiction, would actually love to know more about how you can tell where searches on you are coming from...
Anonymous: im sure its coming from dakar
Anonymous: zaba has crap that tells you
me: I figured
Anonymous: that article sucked.
Anonymous: I only read it because Dana Kennedy from Aol News wants to talk to me about it on-record
Anonymous: so I had to read the damn thing.
me: lol
me: you got pwned
Anonymous: me: that article sucked.
I only read it because Dana Kennedy from Aol News wants to talk to me about it on-record
so I had to read the damn thing.
Barrett did not receive your chat.
Anonymous: f u c k.
Anonymous: coldblood was one of the arrested ones we beleive now.
Anonymous: god damnit
Anonymous: looks way bigger than UK
Anonymous: people in the US, AU, other places in europe
Anonymous: lots of warrents, lots of people in custody
me: who's coldblood?
Anonymous: close persona friend
me: whoa, how many others?
me: where's the info from?
Anonymous: who helps run irc.anonnet.org
me: shit
Anonymous: when I was to busy doing interviews
Anonymous: he took a few for me
Anonymous: was on the bbc and on cbc for me
Anonymous: he wasnt involved, but knows anoymous
Anonymous: so could answer the questions
Anonymous: no charges on him yet, just in for questioning
Anonymous: trivs, who you hate heh

Anonymous: was questioned by the feds
Anonymous: so was No and Owen
Anonymous: Nerdo, tflow, fenniC, snowycloud and coldblood
Anonymous: might be the 5 nicks of the people in UK who were arrested
Anonymous: and more info to come
Anonymous: i know coldblood
Anonymous: the times UK reporter called his source with the pigs for me
Anonymous: and coldblood is being held for questioning
me: are they all Brits?
Anonymous: no
Anonymous: there were other raids
Anonymous: that havent been reported on
Anonymous: and other people who were just questioned
Anonymous: but not raided
me: wait, others were just questioned?
me: not held?
me: other than coldblood?
Anonymous: in multiple countries
Anonymous: Owen and No for starters
Anonymous: both opers on anonops.ru
Anonymous: and Nerdo owned/ran anonops.ru
Anonymous: which means access to IPs
Anonymous: for the feds
Anonymous: lots of shits going down right now
me: very well
me: let me think
Anonymous: http://www.wired.com/threatlevel/2011/01/wikileaks-anonymous-arrest/
Anonymous: just another random article on it
Anonymous: not a good one either
me: I turned in the op-ed, he'll put it up soon
me: confirm for me that no is female and was taken in and I'll give you a fucking PR counterattack
Anonymous: No, female, and questioned. one sec, verifying
Anonymous: No is female
Anonymous: working on the second question
me: a picture would be great, tooo
Anonymous: dont have one of those, i dont think anyone does of her
Anonymous: another sec...
Anonymous: http://www.thinq.co.uk/2011/1/27/pirate-party-slams-police-over-anonymous-arrests/
Anonymous: all ive heard on No is that she was questioned
Anonymous: nothing yet about an actual raid or search warrent

me: k
Anonymous: http://www.crikey.com.au/2011/01/27/inside-the-hive-mind-watching-anonymous-at-work/
me: saw it
me: OLD
me: OLDER THAN THE INTERNET
me: check this out
me: http://www.guardian.co.uk/commentisfree/cifamerica/2011/jan/27/anonymous-internet
me: they're about to add "Created in conjunction with Anonymous."
me: Anon'ss first op-ed
Anonymous: was already reading it
Anonymous: hah nice
Anonymous: http://www.mediafire.com/?5orztib5pkuici9
Anonymous: get that pdf to the world sir
Anonymous: however you can
Anonymous: thats the plans for what people shoudl do tomarrow
Anonymous: tomorrow that is
Anonymous: where they should gather, directions they should march and so on
Anonymous: and its being made public
me: will do
Anonymous: owen was questioned
Anonymous: confirmed.
Anonymous: No is confirmed now too, questioned
me: k
Anonymous: unsure of arrest/freedom status
Anonymous: but both confirmed to at least have been questioned
Anonymous: BI says it executed "more than 40" search warrants today in probe of #Anonymous DDos attacks.
me: yeah, saw that
me: this is how I deal with articles that allow comments
me: http://www.guardian.co.uk/discussion/comment-permalink/9331022
Anonymous: hah love it
Anonymous: sucks
Anonymous: i keep thinking its funny that Triv got raided
Anonymous: because fuck Triv for being an asshole
Anonymous: then i keep hating that i had that thought heh
me: well, q apologized
me: and brought me into secret op chamber
me: which is not much of a favor these days, lol
Anonymous: yeah
Anonymous: half of them are in custody heh
me: plenty more where that came from

me: I'll talk to our legal folks
me: the one's speaking with us in April, for instance
Anonymous: yeah
Anonymous: owen
Anonymous: i talked to him every day
Anonymous: if he logged anything
Anonymous: i could be getting questioned
me: I'd be surprised if you weren't, frankly
me: be sure that one of the answers is "I know every civil rights attorney worth his salt and Barrett has backing from Alan Dershowitz."
me: we'll have further resources soon, I promise
Anonymous: coldblood jsut came on
me: we're not letting anyone go down for this
me: good
Anonymous: and told us to rm -rf his server
Anonymous: quick
Anonymous: and drop it off the anonnet network
Anonymous: and then ran away
me: yeah, I don't speak internet
me: ironically
me: op-ed is on front page of Guardian website
Anonymous: he told us to format the system
Anonymous: remotely
me: oic
Anonymous: https://www.infosecisland.com/blogview/11407-Anonymous-Calls-UK-Arrests-a-Declaration-of-War.html
me: so is NO out?
me: can't remember
Anonymous: ill ask someone
Anonymous: Im hearing that she is out
me: cool, thanks
me: so, these warrants seem to involve Operation PAyback
me: based on statements made by one served on reddit
Anonymous: yes
Anonymous: coldblood was asked a lot about attacks on the music industry
Anonymous: so its a long investigation
Anonymous: from before wikileaks even
Anonymous: since payback is now 6 months old
me: lol music industry
me: took them six months
me: even when being pushed by music industry
